

Seacoast Championship Meet - Additional Information

We are asking that **visiting teams set up outside of the track area** rather than under the bleachers. There is space at the far end of the track just past the pole vault to set up tents. This eases the congestion around the horizontal jump pits and the finish line. Also, **the only athletes allowed on the infield will be those checking in at the bullpen**. This will be strictly enforced.

2. There will be an athletic trainer on site for the entire meet.
3. There are public restrooms under the stadium and a Port-a-Potty near where the tents will be set up.
4. Coe Brown has generously donated the use of their implement scale - so all implements will be weighed/certified prior to the meet. Implements should be brought to the far end of the stands parallel to the long jump pit. The scale will be set up near the end of the metal container that is under the bleachers. Certification will begin at 3:15.
5. Rather than Qualifying Standards, entries will be limited by event this year.
 - 100m, 110H/110H & 200m: Limited to top 32 entries
 - 400m, 300H and 800m: Limited to top 24 entries
 - 1600m & 3200m: Limited to the top 18 entries
 - Field Events: Limited to the top 18 entries, with the exception of Pole Vault which is limited to 12.
