

Due to parking issues in Hanover concerning buses, we need to make some small changes to the State Meet schedules for Feb 12.

The changes listed below give us a larger transition window between sessions so buses are not picking up (D1) and dropping off (D2) at the same time in the same place.

New Time Schedule:

D2 afternoon session:

4:00pm field event start (changed from 3:30pm)

4:30pm running events start (no change there)

Teams enter the Leverone Field House on the right of the building as you are facing it.

The "normal" bus parking procedures for both meets will be altered as well.

New Bus Procedures:

Division 2: Buses drive directly to Hanover High School (with teams still on the bus) and park in the Hanover High School parking lot. Buses stay there for the entire duration of the meet.

Teams stay on buses until 2:30pm at the earliest, then take a short walk to Leverone Field House. At the conclusion of the meet, teams will walk back to their buses still parked at Hanover High School.

Regardless of Division, If you are not bringing a large school bus:

Cars, Vans and Small Buses can park in the Thompson Lot across from the Leverone Field House.

We understand this is not ideal, but it is what we need to do to make this meet work. Please help us with these items.
